AGB-AZZE-USA FFF INSTRUCTION BOOKLET

WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions
Altered vision

Eye or muscle twitching Involuntary movements Loss of awareness Disorientation

To reduce the likelihood of a seizure when playing video games:

- 1. Sit or stand as far from the screen as possible.
- 2. Play video games on the smallest available television screen.
- 3. Do not play if you are tired or need sleep.
- 4. Play in a well-lit room.
- 5. Take a 10 to 15 minute break every hour.

WARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- · Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the
 correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

OTTO ROCKET

Otto's got the best balance, and he's fast – really fast. However, a little practice on the specials couldn't hurt.

Tricks: Ultimate Spin, AC-Air, Misty Flip, The 900, Rocket Air 360, Dark Slide, Heel Flip, Impossible, Kick Flip, Finger Flip, Benihana, Method, Rocket Air, Cannon Ball, Nose Slide, 5-0 Grind, Nose Grind, 50-50 Grind, Gymnast Plant, and Invert.

TWISTER RODRIGUEZ

Twister's good for catching some real air. He's also a trickmeister and can rack up serious points while nobody else is looking.

Tricks: Ultimate Spin, KF-Back Flip, MC Twist, KF-Superman, Moon Walk, Kung Fu Kid Grind, Hard Flip, Impossible, Sal Flip, Finger Flip, Air Walk, Indy, Rocket Air, Nose Grab, Nose Grind, 5-0 Grind, Tail Slide, 50-50 Grind, BS-Boneless, and Invert.

REGGIE ROCKET

Reggie's got good balance, just like her brother. She's also got some seriously wicked tricks to show off. She'd like to improve on the specials, since she needs a bit more time to perform them.

Tricks: Cossack Air, Judo Madonna, Slamma Jamma, Stalefish Front Flip, Super Hand Clip, One Foot Blunt Slide, Hard Flip, Sal Flip, Finger Flip, Kick Flip, Air Walk, Indy, Method, Rocket Air, 5-0 Grind, Board Slide, Nose Grind, 50-50 Grind, Gymnast Plant, and Disaster.

SAM 'SQUID' DULLARD

What Sam lacks in speed, he makes up for in stamina and in getting specials to replenish faster.

Tricks: Flying Back Spin, KF-Superman, Front Spin, Swivel Chair, Misty Flip, Dark Slide, Heel Flip, Impossible, FS-Pop Shove It, Finger Flip, Nose Grab, Method, Air Walk, Cannon Ball, Board Slide, Tail Slide, Nose Grind, 50-50 Grind, One Foot Invert, and Disaster.

LARS RODRIGUEZ

Here's a bonus character! Lars is Twister's older brother and is wicked fast on his board. But better build up his special, 'cause he's severely lacking in that category.

Tricks: Kick Flip Head Stand, Heel Flip Back Flip, KF-Superman, AC-Air, The 900, Shachihoko, Varial, Heel Flip, Sal Flip, Finger Flip, One Foot Japan, Benihana, Air Walk, Cannon Ball, Board Slide, 5-0 Grind, Nose Grind, 50-50 Grind, Invert, and Disaster.

ZEILU EIKL VITY ZUIJE

Grab your ticket, your board, and your buddy and let's hit the park!
